

MAP-Canada launches an Emergency Fundraising Campaign for Gaza

Montreal, January 1, 2009- Since the beginning of Israeli military onslaught on the people of Gaza on December 27, Palestinian hospitals are filled to capacity and medical supplies are on the verge of depletion. With a medical system already on the verge of collapse as a result of 18 months of an ongoing blockade, the one million and a half population of Gaza are in desperate need of urgent medical help from outside.

Medical Aid for Palestine (MAP-Canada), in association with the Israeli Physicians for Human Rights, is launching an emergency fundraising campaign to purchase and direct the transfer of medical supplies to Gaza Hospitals.

We appeal to all Canadians to contribute generously to our humanitarian campaign.

Please send your tax deductible donation to:

Medical Aid for Palestine
5722, St.André street, Montreal, QC H2S 2K1
Tel.: (514) 843-7875
Email: info@mapcan.org
